## A 21ST CENTURY TRANSFORMATION BRINGING JOBS AND AN ECONOMIC BOOST TO LITTLE VILLAGE

### INTRODUCING THE NEWEST CRITICAL COMMERCIAL HUB IN THE CITY OF CHICAGO.

Exchange 55 is designed to generate economic growth that will benefit your future. This world-class, sustainable development located on 70 acres on Chicago's southwest side will become a thriving hub of commerce, community and opportunity.

Thousands of new jobs planned

Easy access to the neighborhood;  
employees can walk, bike or take  
public transit to work

A modern, environmentally-  
friendly building with roof that  
accommodates solar panels

LED lighting and energy  
efficient fixtures throughout

Green landscaping that  
will absorb as much as  
16 tons of CO2 per year

Almost 700 new trees planted

Site is adjacent to I-55

Infrastructure to support  
electric vehicles

Pathways for bikes  
and pedestrians

New CTA bus stations  
with improved access
